

# The Downfall of Us All

## A Day to Remember

Da da da de da da da  
Da da da de da da da  
LET'S GO!

It's not easy making a name for yourself  
Where do you draw the line?  
I never thought I'd be in this far  
Let's have some fun and never change not for anyone  
Try not to miss me when I'm gone

(Whoa uh oh, whoa uh oh)  
I sold my soul to the open road  
I'll live my life alone!

You won't find me in the same spot  
Believe me I could never stop  
My life's turned upside down  
Meet me out past the train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
This town will be the downfall of us all

I'm gonna need you to try to follow along.  
I did the best that I could to try and write you songs.  
Now go tell them we sold out, like we're the ones who changed.  
I write what I feel, I say what I mean.  
You can't buy sincerity.

(Whoa uh oh, whoa uh oh)  
I sold my soul to the open road  
I'll live my life alone!

You won't find me in the same spot  
Believe me I could never stop  
My life's turned upside down  
Meet me out past the train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
This town will be the downfall of us all

Don't forget yourselves  
We made up our minds  
And we signed 3! 4! 5! on that dotted line!  
Don't forget yourselves  
We made up our minds  
And we signed 3! 4! 5! on that dotted line!

You won't find me in the same spot  
Believe me I could never stop  
My life's turned upside down  
Meet me out past the train tracks  
I'm leaving and not coming back  
You're right and I was wrong

You won't find me in the same spot (You were right and I was wrong)  
Believe me I could never stop (You point the blame we'll take the fall)  
My life's turned upside down

Meet me out past the train tracks (You were right and I was wrong)  
I'm leaving and not coming back (You point the blame we'll take the fall)  
You're right and I was wrong  
This town will be the downfall of us all  
This town will be the downfall of us all

Downfall of us all!  
Downfall of us all!  
Downfall of us all!  
Downfall of us all!
