A Perfect Circle

Blue

I didn't want to know I just didn't want to know Best to keep things in the shallow end Cause I never quite learned how to swim

I just didn't want to know Didn't want, didn't want, Didn't want, didn't want

Close my eyes just to look at you Taken by the seamless vision I close my eyes, Ignore the smoke, Ignore the smoke, Ignore the smoke

Call an optimist, she's turning blue Such a lovely color for you Call an optimist, she's turning blue While I just sit and stare at you

Because I don't want to know I didn't want to know I just didn't want to know I just didn't want

Mistook the nods for an approval Just ignore the smoke and smile

Call an optimist, she's turning blue Such a lovely color for you Call an optimist, she's turning blue Such a perfect color for your eyes Call an optimist, she's turning blue Such a lovely color for you Call an optimist, she's turning blue While I just sit and stare at you

I don't want to know
