## **Cops And Robbers**

## A Rocket to the Moon

Do you need
Me at night
When you're warm
In your bed?
Do you see
What went wrong
When I look
In your eyes?
Now darling don't be worried
When you're sleeping on you're own tonight.

Don't wait 'cause you'll just waste your time.

You never listen to anything I have to say.

'Cause now I'm believing the things that I'm lying about tonigh t, babe.

'Cause in a heartbeat we change so fast
And now the stars are aligning and the moon is setting
And I will be the best damn constellation that is in your sky tonight.

Now darling, I am scared
And there's worry in the air.
But I'm not accusing anyone but myself.
But there's something that I
Gotta get off my chest.
So here it goes.

(Do you see all these stars or do the still hurt your eyes?)
