

I break my neck for you, I bend space and time
I break my back in two till blood fills my eyes
And if I die you wouldn't mind, I would leave it all behind
And if I die I leave it all behind

You've got your knife to my throat
I wouldn't hesitate to wait until you cut me through
You've got the bare hole I'm staring into
Should I pull the trigger for you?
Let me mention, this is for you

I die for you
I die for you

I break my neck for you, I bend space and time
I break my back in two till blood fills my eyes
And if I die you wouldn't mind, I would leave it all behind
And if I die I leave it all behind
Yeah, I'd be fine

Yeah, I'd be fine, I don't mind
With your noose around my neck
Yeah, I'd be fine, I don't mind
With your barrel to my head
Yeah, I'd be fine, I don't mind
That I'm hanging by your thread
Yeah, I'd be fine, I don't mind
That you're blaming me inside

I'd die for you
I'd die for you

I break my neck for you, I bend space and time
I break my back in two till blood fills my eyes
And if I die you wouldn't mind, I would leave it all behind
And if I die I leave it all behind
Yeah, I'd be fine

Yeah, I'd be fine

And if I die, you wouldn't mind
I would leave it all behind
And if I die I leave it all behind
Yeah, I'd be fine
