## A Thorn For Every Heart

So much for my happy ending...

Oh (7x)

Lets talk this over,  
It's not like we're dead,  
Was it something I did,  
Was it something you said?  
Don't leave me hanging,  
In a city so dead,  
Held up so high,  
I'm such a breakable thread.

You were all the things I thought I knew  
and I thought we could be...

You were everything, everything that I wanted  
We were meant to be, suppose to be but we lost it  
All of the memories, so close to me just fade away  
All this time you were pretending,  
So much for my happy ending.

Oh (6x)

You've got your dumb friends,  
I know what they say,  
They tell you I'm difficult,  
but so are they.  
but they don't know me,  
Do they even know you?  
All the things you hide from me,  
All the shit that you do.

You were all the things I thought I knew  
and I thought we could be...

You were everything, everything that I wanted  
We were meant to be, suppose to be, but we lost it  
and all of the memories, so close to me just fade away  
All this time you were pretending  
So much for my happy ending

It's nice to know that you were there,  
Thanks for acting like you cared  
and making me feel like I was the only one.  
It's nice to know we had it all,  
Thanks for watching as I fall  
and letting me know we were done.

He was everything, everything that I wanted  
We were meant to be, suppose to be, but we lost it  
all the memories, so close to me just fade away  
All this time you were pretending  
So much for my happy ending

"This Love"

I was so high I did not recognize

The fire burning in her eyes  
The chaos that controlled my mind  
Whispered goodbye and she got on a plane  
Never to return again  
But always in my heart

This love has taken its toll on me  
She said Goodbye too many times before  
And her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

I tried my best to feed her appetite  
Keep her coming every night  
So hard to keep her satisfied  
Kept playing love like it was just a game  
Pretending to feel the same  
Then turn around and leave again

This love has taken its toll on me  
She said Goodbye too many times before  
And her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

I'll fix these broken things  
Repair your broken wings  
And make sure everything's alright  
My pressure on your hips  
Sinking my fingertips  
Into every inch of you  
Cause I know that's what you want me to do

This love has taken its toll on me  
She said Goodbye too many times before  
And her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

This love has taken its toll on me  
She said Goodbye too many times before  
And my heart is breaking in front of me  
She said Goodbye too many times before

This love has taken its toll on me  
She said Goodbye too many times before  
And her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

She Will Be Loved"

Beauty queen of only eighteen  
She had some trouble with herself  
He was always there to help her  
She always belonged to someone else

I drove for miles and miles  
And wound up at your door  
I've had you so many times but somehow  
I want more

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved

She will be loved

Tap on my window knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
It doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along  
My heart is full and my door's always open  
You can come anytime you want

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved  
She will be loved

I know where you hide  
Alone in your car  
Know all of the things that make you who you are  
I know that goodbye means nothing at all  
Comes back and begs me to catch her every time she falls

Tap on my window knock on my door  
I want to make you feel beautiful

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved  
And she will be loved  
And she will be loved  
And she will be loved
