A Tribe Called Quest

It was Friday afternoon in the middle of June Heineken bottle caps and the aroma of boom Around the time everybody had just got home from class Shooting dice, talking shit, hoping the cash would last Yo, this was around the time when I didn't know no better Juney moved around in a tinted out Jetta

Then he introduced me to that hydro smoke
Then I took one toke, yo, I almost choked
See I never smoked before and my nerves got shot
Then he told me about the party at the spot jam rock
It was guaranteed on but I said "son, chill"
There's a joint around the way that's supposed to be real
Word

He said we got no Js, so we gonna do it right
Hit your man's joint first, then jam rock at one night
Then I said "alright", then I jumped inside the jetty
Let me take a shower, I'm sweaty, and then I'll be ready
Tonight is the night I get my groove on steady
And get my drink on with that Ford named Betty
I went upstairs to get fly, broke my tie
On some liquor, to meet my high quicker
Now, I'm tight, them know, the party is the M.O.
Me and my crew, we get it started like a demo
Eleven in the evening, I'm feeling like a heathen
This thing is going down and I highly doubt I'm leaving
Booty cheeks start to motion and the kids is drinking potion
Word is bond, that Black Moon joint got me open
(Don't front)

A yo, the DJ put this short groove on
The good shit that makes a kid lose his drink
Blending Rising to the Top and got these shorties hopping
Nothing but copping, ain't no stopping me now
Yo, I'm bound to win until that thing kicked in
The Alaze had me drunk, I don't know where to begin(echoed)

Not I'm feelin kinda jaded, wildly coherent Me and the fellas acted very irreverent Butt grabbing, mad laughing and assin

When that chick caught up, the shorty looking fed up They say you drug one with this one, gibbing with that one

A yo, I'm just doing my thing, yo I'm just having fun You don't see me in here wyling pulling out no gun Yo, I see some of that thing girl and I want some So let's step inside this corner so that we can rap on Over this bumping ass song and some Dom Perignon

I hit ya with the good loving plus fillet mignon (Yeah, yeah scrammy scrams, yo, that's that same old song) (A yo, tell me why the hell your breath smells so strong)

Yo, put some brakes on your yappin or you won't live long (Please nigga, push on)

Alright scrams, see you later (scrams)
Can't mess with these street sharks or these alligators

I can't take it no more, yo it's damn near four I've been partying and drinking since I came out my door

Look at these kids about to mix it, damn, where's the exit? (Son, jetted to the ride and got the burner out the Lexus)
Yo, he cocked his joint back like he's about to let him have it
(Kid, I kept it moving like the Energizer rabbit)
A yo yo, it's time to skate, ain't no time to contemplate
(Whoops, looka there, there's Jake)
