I can't believe the things you're telling me
I hope you're joking
I can't take this seriously
What a stupid question!
What are you on about?
Every time there's [...] you can't make me
What a good reaction
I don't know what to say

So what are your [...] in a [...]
What a stupid question!
I don't know the answer
It's not fair
[...]
I bet you can't stop laughing
I bet your [...]
You got- me fooled
Looking back
Almost everything was great
For a second you almost ruined everything
For a while it was too good to be true
Looking back
Almost everything is great
Take it all on board
Almost everything is great
Can you understand? (x6)
Can you understand? (repeat to fade)
