## **Massachusetts**

**Aaron Lewis** 

Sing here on the stairs and listen to The nighttime as the daylight fades away It's such a haunting and familiar tune When I hear it in the distance I can say That I'm home...

In Massachusetts Where my daughters and my wife they wait for me... All alone, but the truth is It's where I always am, it's where I long to be Because I'm home

The north shore is where my father lives I wear my Red Sox hat around the world with pride But the Berkshires are where my heart is And when I see them in the distance I could cry Because I'm home...

In Massachusetts Where my daughters and my wife they wait for me... All alone, but the truth is It's where I always am, it's where I long to be

Nyla started pre-school and Indy just turned two And Zoe's just the perfect mix of me and you They keep getting older, time keeps going by To think about it makes your daddy wanna cry

So I just pass the sign that welcomes me to Worthington Established long before this country came to be A place that hasn't really changed with time The way this country that I love, it used to be Because I'm home...

In Massachusetts Where my daughters and my wife they wait for me All alone, but the truth is It's where I always am, it's where I long to be Because I'm home...

In Massachusetts Where my hero teaches classes everyday When my friends, they don't treat me different It's where my family is, it's where I'll always stay Because I'm home
