

## In The Still Of The Night

Aaron Neville

In the still of the night  
As I gaze out of my window  
At the moon in its flight  
My thoughts all stray, stray to you

In the still of the night  
While the world is in slumber  
Oh, the times without number  
Darling, when I say to you

Do you love me, as I love you  
Are you my life to be, my dream come true  
Or will this dream of mine  
Fade out of sight

Like the moon glowing dim  
On the rim of the hill  
In the chill, in the still of the night

Do you love me, as I love you  
Are you my life to be, my dream come true  
Or will this dream of mine  
Fade out of sight

Like the moon glowing dim  
On the rim of the hill  
In the chill, in the still of the night  
Of the night, of the night, of the night
