In Shadows

Abandoned Pools

So here we are Follow the rabbit hole down We will find out How far down it goes So do you want to know? Where we are living in? In shadows Are we just animals? Or something disguised as?

The innocent are fast asleep A phantom juggernaut in dreams Have we just lost it? Have we just lost it? The idiots are fast asleep An empire falls beneath our feet Are we just lost?

So here we are I'm seeing you out of focus We will swan dive Into the abyss
