

My Love, My Life

ABBA

I've seen it on your face
Tells me more than any worn-out old phrase
So now we'll go separate ways
Never again we two
Never again, nothing I can do

Like an image passing by, my love, my life
In the mirror of your eyes, my love, my life
I can see it all so clearly

(See it all so clearly)

Answer me sincerely

(Answer me sincerely)

Was it a dream, a lie?

Like reflections of your mind, my love, my life
Are the words you try to find, my love, my life
But I know I don't possess you
So go away, God bless you
You are still my love and my life

Still my one and only

I've watched you look away
Tell me is it really so hard to say?
Oh, this has been my longest day
Sitting here close to you
Knowing that maybe tonight we're through

Like an image passing by, my love, my life...

Yes I know I don't possess you
So go away, God bless you
You are still my love and my life
Still my one and only
