

# Tropical Loveland

ABBA

Come to my loveland, wander along  
Beautiful gardens full of flowers and songs  
Come to the sunshine, beaches and sand  
Here's the two bluebirds, won't you come to my land

The grass is mellow and the sky is blue  
My paradise is waiting here for you

Oooh, it's a tropical loveland  
Oooh, I wanna share it with you  
Life can be funny  
Happy and sunny  
Oooh, in my tropical loveland

Come to my loveland, wander with me  
Lie with me darling in the shade of a tree  
Over the rainbow, under the moon  
That's where my land is, won't you come to me soon?

Just take my hand, I'll show you everything  
The secrets that my paradise can bring

Oooh, it's a tropical loveland  
Oooh, I wanna share it with you  
Life can be funny  
Happy and sunny  
Oooh, in my tropical loveland

Oooh, it's a tropical loveland  
Oooh, I wanna share it with you  
(I wanna share it with you)  
Oooh, it's a tropical loveland  
(It's a tropical loveland)  
Oooh, I wanna share it with you  
Oooh, it's a tropical loveland  
Oooh, I wanna share it with you
