

The Night You Murdered Love

ABC

From an early age
I was taught to respect
That a broken heart girl
Ain't a thing you collect

Close your eyes and say
Nothing lasts a day
You're wasting my time
Yet I love to love you

Close your eyes and say
Honour love obey
You're wasting my time
Yet I love to love you.

It's cold outside - The night love died
On the night you murdered love
It's cold outside - The night love died
On the night you murdered love.
January...February...March and April May
June July sees you go by
I see love walk away.

Didn't use a blade...
A bullet or a gun
You poisoned the moonlight

It's cold outside - The night love died
On the night you murdered love
