

Tower of London

ABC

Let me take you to Trafalgar Square
Let me take you there
Every street's a fashion catwalk
Everyone's debonair
Let me take you to Piccadilly
Guess it leads somewhere

Tower over centuries, tower over London
Tower up and frankly I'm amazed
What's done cannot be undone, not here not in London
What's done can never be erased

So, tower up! It's those little things
Make life interesting, Tower of London!
Tower up! Wasting time
Yours and mine, Tower of London!
Hip London! Hip London!

Let me take you to St.James' square
Let me groove you there
Diplomats get target practice
In the open air
Psychobillies scream blue murder
Then they hit Mayfair

Tower over centuries, tower over London
Tower up and frankly I'm amazed
What's done cannot be undone, not here not in London
What's done can never be erased

So, tower up! It's those little things
Make life interesting, Tower of London!
Tower up! Wasting time
Precious time, Tower of London!
Tower up! I'll meet you there
I'll be there, Tower of London
New York! Don't make me laugh
I've seen photographs, Tower of London...
