

Like You Should

Abney Park

I'm gonna make you sorry
And I'm gonna make you see
And I'm gonna make you feel real bad
For the pain that you caused me

I'm gonna make you sorry
And I'm gonna make you see
And I'm gonna make you feel real bad
For the pain that you caused me

It may not be tomorrow
And it may not be next week
But someday you will realize
That you missed out on me

And you're gonna feel bad
And I'm gonna feel good
And you're gonna be sad
Just like you should

Well I remember when I met you
You were so sincere
We had our fun, my heart was won
And you made me want you near

Well now I know you're a deceiver
And I know that wasn't you
'Cause you're a self-centered bastard like everybody else
And I got nothin' to say to you

And you're gonna feel bad
And I'm gonna feel good
And you're gonna be sad (oh-so-sad)
Just like you should

Just like you should!

It may not be tomorrow
And it may not be next week
But someday you will realize
That you missed out on me

And you're gonna feel bad
And I'm gonna feel good
And you're gonna be sad (oh-so-sad)
Just like you should

And you're gonna feel bad
And I'm gonna feel good
And you're gonna be sad (oh-so-sad)
Just like you should

Ohhhh, just like you should!
Oh, like you should.
Just like you should!

I'm gonna make you sorry

And I'm gonna make you see
And I'm gonna make you feel real bad
For the pain that you caused me.
