

# Beautiful Together

Above & Beyond

Sunday  
Sunrise  
Looking out across the bay  
And in your eyes  
I see all you want to say  
And now you love me  
The clouds above me  
Couldn't stop the way I'm feeling  
Now

There's more to life with you  
Together we are beautiful  
I wish with you to stay  
For all my life with you  
Would always mean it's beautiful  
Together we are beautiful, I miss you

I see clearly  
I am not afraid to fall  
With you near me  
I can rise above it all  
And now you love me  
The clouds above me  
Couldn't stop the way I'm feeling  
Now

There's more to life with you  
Together we are beautiful  
I wish with you to stay  
For all my life with you  
Would mean it's beautiful  
Together we are beautiful, I miss you

Your arms, your arms  
Your lips, your lips  
Your mind, your mind  
You're beautiful  
Your arms, your arms  
Your lips, your lips  
Your mind, your mind  
You're beautiful

There's more to life with you  
Together we are beautiful  
I wish with you to stay  
For all my life with you  
Would always mean it's beautiful  
Together we are beautiful, I miss you

I miss you  
I miss you  
I miss you  
I miss you
