## **Beneath A Blood Red Sun**

Grim serpents, rise entwined Can't remember when the noose was satisfied Pigs blood splashes, deep red sketches Deathworms feed on pain I'm damned in acid, skinned again Senseless stitching, too much flesh to spend Wheels of bone, death trip set Bleeding toward the end Burial meltdown, gods in flames Throne of ash, all hail insane Beneath the fucking blood red sun Comets burn my veins Wicked are the teeth of the beast Blood drenched dawn, rituals obscene

Beneath the fucking blood red sun Comets burn my veins Abscess
