

Removing the Leech

Abscess

get the hell out of my house
pathetic wormy leeching louse
got no balls, got no life
always scheming for a ride

you piece of shit- you fucking fuck!

piece of shit with shit for brains
think you're sneaky, think you'll gain
think your true self's hidden deep
you're thinking wrong, I bash your cheek

user, loser, steal, from me
got in far too deep you see
bloodied, crying teeth go flying
paid in full, remove the leech
