

Moodswing Baby

Absynthe Minded

It takes just a second
And everything is changed
She's got a mindset
And sees things her way
We go to the movies
She walks out halfway
The plot couldn't move her
She's got no time to waste

She never said I am the one
I gotta do the best I can
She changes her mind overnight
Sometimes when i look into her eyes
I know what makes it all worthwhile

She's my moodswing baby
She's at it again
Never a dull moment
And I can have it
I cannot resist her
She's under my skin
And I'm here to please her
She's here to win

She never said I am the one
I gotta do the best I can
She changes her mind overnight
Sometimes when i look into her eyes
I know what makes it all worthwhile

She's my moodswing baby (3x)

And it don't mean a thing
if it aint got that swing

She never said I am the one
I gotta do the best I can
She changes her mind overnight
Sometimes when i look into her eyes
I know what makes it all worthwhile
