

## Pretty Horny Flow

Absynthe Minded

This is a story that I never told before  
A late afternoon drink well I want more  
The waitress is too hot to pick on  
She got her breasts from mother nature and she hates to work in  
places  
Like this, the people are stupid and bored  
well it's hard to pay the bills and I forgot to take my pills  
I sometimes wonder how they make it through the day  
I checked it out that night, I took delight

And now I know  
You're so empty  
And when it's time to go  
You'll feel unsatisfied  
cause you didn't use your mind  
Deliberately stayed behind  
You overlooked  
And now you're hooked  
But I don't mind

The fiercest thing to say is that I am one of them  
I got to see her in her glory and man I wanted more  
She has this pretty horny flow

I had a pleasant night, a ride home, my body felt like reborn  
And hers it felt like never touched before  
But that ain't no fact as she pushed me on my back  
She went on and on and on  
I checked it out that night  
I took delight

And now I know  
You're so empty  
And when it's time to go  
You'll feel unsatisfied  
cause you didn't use your mind  
Deliberately stayed behind  
You overlooked  
And now you're hooked  
But I don't mind
