I am the passenger and I ride and I ride I ride through the city's backsides I see the stars come out of the sky Yeah, the bright and hollow sky You know it looks so good tonight I am the passenger I stay under glass I look through my window so bright I see the stars come out tonight I see the bright and hollow sky Over the city's ripped backsides And everything looks good tonight Singing la la la la la... lala la la, la la la la... lala la etc Get into the car We'll be the passenger We'll ride through the city tonight We'll see the city's ripped backsides We'll see the bright and hollow sky We'll see the stars that shine so bright Stars made for us tonight Oh, the passenger How, how he rides Oh, the passenger He rides and he rides He looks through his window What does he see? He sees the sign and hollow sky He sees the stars come out tonight He sees the city's ripped backsides He sees the winding ocean drive And everything was made for you and me All of it was made for you and me 'Cause it just belongs to you and me So let's take a ride and see what's mine Singing la la la la... lala la la (3x)

Oh the passenger
He rides and he rides
He sees things from under glass
He looks through his window side
He sees the things that he knows are his
He sees the bright and hollow sky
He sees the city sleep at night
He sees the stars are out tonight
And all of it is yours and mine
And all of it is yours and mine
So let's ride and ride and ride and ride
Oh, oh, Singing la la la lalalalal
