

# Danger

AC/DC

Don't talk to strangers, keep away from the danger  
Don't talk to strangers who smile  
Keep away from the danger all the time, you just keep away  
Just keep away

Red lights are flashing, there's been a misunderstanding  
I'm Bruised and broke and bandaged  
Through drinking all that brandy  
I was, under the table but I came back for more  
Gotta hit that bottle but my head hit the floor

Danger, danger, don't talk to strangers  
Stranger, danger, don't you talk  
Danger, danger, don't talk to strangers  
Danger, danger, don't talk keep away

Red lights still flashing  
People all still dancing in my head  
I've done with thinking, about what to do  
Another bout of drinking  
Just one before I'm through  
I was just raising hell I wasn't doing no harm  
The cops could not appreciate my natural charm

I'm a  
Danger, danger, don't talk to strangers  
Stranger, danger, don't you talk, don't talk  
Danger, danger, don't talk to strangers  
Danger, danger, don't talk keep away

Don't talk to strangers

Danger, danger, don't talk to strangers  
Stranger, danger, don't you talk, don't talk  
Danger, danger, don't talk to strangers  
Danger, danger, don't talk keep away  
Danger, danger, don't talk to strangers  
Stranger, danger, don't you talk, don't you talk  
Danger, danger, don't talk to strangers  
Danger, danger

Don't you go talking to no stranger in this town
