

## Better Than Life

### Acappella

In a dry and weary land where is no water  
My soul is thirsting for you  
I have seen you in the sanctuary  
Beheld your power and glory  
My lips will glorify you  
I will praise you as long as I live  
In your name I will lift up my hands

Your love is better than life  
Your love is better than life  
Earnestly I seek you  
My soul is thirsting for you  
Cause your love is better than life

Because you are my help I will be singing  
In the shadow of your wing  
I'm staying close beside you  
Your right hand upholds me  
I think of you through the night  
With singing lips I will praise  
And my soul will be satisfied

Oh, God, you are my God  
Earnestly I seek you  
I'm longing for you  
Oh, God, you are my God  
Earnestly I seek you  
I'm longing for you
