

Hoping

Ace Troubleshooter

Every time I try to make it happen
I just fake it
I think it's over
And I blink, it's over
Every time I screw up
I never let up
And I keep forgetting to think it over
'cause I blink, it's over

Every time I close my eyes

I sit there hoping
You go on holding my hand in Yours
So stay, yeah stay forever

Every day it's getting colder
And I find I'm getting older
Need warmer climes now
Need a land with warming sun
And a heart whose every beat is one
That keeps Your time
Keeps Your time somehow

Every time I close my eyes

I sit there hoping
You go on holding my hand in Yours
So stay, yeah stay forever
