[Verse 1] I'm lost in nowhere, I cannot see What's inside of me Some changes appear I can feel, I'm coming alive [Bridge] My eyes are wide, Opened to this brand new world, I'm not supposed to bleed [Refrain] Only my eyes can see your world, like it is, Blinded by innocence, see the moon fading out to black Leave out your mind And if I am the chosen one, I will try To help you to understand, the silence can sometimes be your fr iend Whisper your fears [Verse 1] Winter's breath leaves a cold wind on my face My believing thoughts, Decrease in shapes of ghostly sadness I've failed out of weakness [Bridge] My eyes are wide, Opened to this brand new world, I'm not supposed to bleed [Refrain] Only my eyes can see your world, like it is, Blinded by innocence, see the moon fading out to black Leave out your mind And if I am the chosen one, I will try To help you to understand, the silence can sometimes be your fr iend

Whisper your fears
