

Doggy Style

Adam Ant

Please do not waste my time
By laying out the rules
If you're so intellectual
Then you belong in school

Rebop bebop, do it doggy-style
I like you better when you're mad
I feel so good when you're bad in bed

Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Do it doggy-style, right across the floor
When you feel exhausted then you know it's time for more
Wanna see you sweat
[?] sleep
All that really matters is
Your manners and physique

I love it when you tease
Adore the times you pose
But I can't kiss a lipstick
Or date a pile of clothes

Rebop bebop, do it doggy-style
I like it better when you're mad
Feels so good when you're bad in bed

Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Do it doggy-style, right across the floor
when you feel exhausted then you know it's time for more
Wanna see you sweat
Falling on the bed
All that really matters
Is your manners and physique, oh

You have a super bod
I saw it so I know
So why the sweats and baggy clothes
Like you don't have to show

Rebop bebop, do it doggy-style
I like you better when you're mad
Feels so good when you're bad in bed

Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Do it doggy-style, right across the floor
When you feel exhausted then you know it's time for more
Wanna see you sweat
[?] sleep
All that really matters is
Your manners and physique

Now you quit the drugs
And the messing 'round
You be very careful

That you don't get musclebound
Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Wanna see you sweat
That must be real chique
All that really matters
Is your manners and physique

You tuned up everything
Tighter than a drum
So why not skip the salad
And come and have some fun
Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Wanna see you sweat
That will be unique
All that really matters
Is your manners and physique

Honey kiss on this
Honey suck on that
It's very rich in vitamins
It keeps your stomach flat
Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Wanna see you sweat
That would be unique
All that really matters
Is your manners and physique, oh

Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Do it doggy-style, right across the floor
When you feel exhausted then you know it's time for more
Wanna see you sweat
That would be real chique
All that really matters
Is your manners and physique

Pick your honey up, never let her go
Say you want an answer and the answer isn't no
Do it doggy-style, right across the floor
When you feel exhausted then you know it's time for more
Wanna see you sweat
That would be unique
All that really matters
Is your manners and physique, yeah
