You're a rock and roll star

Feel my love

On tv at the tv station

Baby come dance with me

Baby come dance with me-ee

On tv at the tv station

You are lost

and I'm at home

And nobody wants to be here alone

Ooo baby's in mint condition

Let's both get on that rocket to the stars

Baby come dance with me

Baby come dance with me-ee

On tv at the tv station

Baby come dance with me

Baby come dance with me-ee

On tv at the tv station ...
