

Filthy Heart

Adelitas Way

I heard you got a filthy heart,
Heartbreaking is the perfect dart,
I though she was my serve,
Wish I knew what I said wasn't getting through,
Wish I knew it was dead when I looked at you,
We looked that no one was coming in,
We thought no one was free,

You got a filthy heart,
You got a filthy heart,
You lecture all me the ways to make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart,

Just another one that fell so hard,
Just another one that's come and gone,
I though she was the one,
Wish I knew what I said wasn't getting through,
Wish I knew it was dead when I looked at you,
We looked that no one was coming in,
We thought no one was free,

You got a filthy heart,
You got a filthy heart,
You lecture all me the ways to make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart,

Take your reckless life,
Take these words and come back right,
I see through you,
You got a filthy heart,

You got a filthy heart,
You lecture all me the ways to make me feel like shit,
I always wanted to say it,
Your such a bitch,
You got a filthy heart,
You got a filthy heart,
You got a filthy heart, heart.
