Good Enough

Adelitas Way

I know what's coming
You've taken me down this road before
Something's missing
Too many times you've let me know

I am trying to make it the way it used to be
Back when all you said that you'd need was the best of me

If I gave you the ocean
You would ask for the sun
But if I gave you that sunlight
You would say it's not what you want
And I give, and I give, and I give
But I don't give up
There was a time
When my best was good enough

Sometimes I wish I could walk away and not think twice
I can't get past the thought of you in someone else's life
Can I keep you if I try?
Can I make it right?

If I gave you the ocean
You would ask for the sun
But if I gave you that sunlight
You would say it's not what you want
And I give, and I give, and I give
But I don't give up
There was a time
When my best was good enough

Can I keep you if I try?
Can I make it right?

If I gave you the ocean
You would ask for the sun
But if I gave you that sunlight
You would say it's not what you want
And I give, and I give, and I give
But I don't give up

There was a time
When my best was good enough (3x)
