

Notorious

Adelitas Way

Notorious, so notorious
So notorious

They call me notorious for livin' it up and not givin' a f*ck
Like a lion in the a land of sheep
Feel my teeth as they sink in deep

They say I'm a rebel soul
Bad to the bone, always ready to go
Everybody wants to wear the crown
I keep lining 'em up I keep knocking 'em down

Notorious, so notorious

I am exactly what they say I am
I stand for everything that they can't stand
I can't help it, I was born this way
But when I'm gone you'll remember my name

I am exactly who they say I am
Notorious, so notorious

I'm too fast, too furious
You're pushin' your luck and that's dangerous

I told you once so you better believe
You never met a motherf*cker quite like me

Notorious
Notorious

I am exactly what they say I am
I stand for everything that they can't stand
I can't help it, I was born this way
But when I'm gone you'll remember my name

I am exactly who they say I am

Notorious
Notorious
Notorious

I am exactly what they say I am
So notorious
Notorious

I am exactly what they say I am
I stand for everything that they can't stand
I can't help it, I was born this way
But when I'm gone you'll remember my name

I am exactly who they say I am
