

What You Want

Adelitas Way

...stay up late all night and talk
Do the things that money can't buy you
We can have it all
I know what you want
What you want
What you what you want
I know what you want

You got my attention
Honesty, affection, all of me, oh yea
Girl, you leave me breathless
Nothin' but the best, the best of me, oh yea
I love to do the things you like, yea
I love to see you smile when you wakin' up
I can do it all just right, yea
I know what you want

Got you shining bright with the diamonds
Make your body move to the break of dawn
Take another look at the skyline
We can have it all
We can get lost in the silence
Or we can stay up late all night and talk
Do the things that money can't buy you
We can have it all

I know what you want
What you want
What you want
What you what you want
I know what you want
...
