

Jefferson Memorial Dance Revolution

Adolescents

If I've got a disk, I'm going to spin it
If I've got a risk, I'm going in it
If I've got a wish, I'm going in it
If I've got a disk, I'm going to spin it

If I can't dance
Not my revolution
If I can't dance
Fuck you!

You've got the power, we all know it
You've got the power, you let us know it

If I can't dance
Not my revolution
If I can't dance
Fuck you!

You've got control, you let us know it (2x)

If I can't dance
Not my revolution
If I can't dance
Fuck you! (2x)

It's in your pocket and we know it
You own the courts and we all know it
You buy elections and we know it
You want to dance and we all know it

If I can't dance
Not my revolution
If I can't dance
Fuck you! (2x)

If I can't dance
Not my revolution
If I can't dance
Fuck you! (4x)
