

# Wars Aren't Won, Wars Are Fought

Adolescents

Let's get it out in the open  
So the talk can begin  
All wars are acts of terrorism  
The agenda is kill again  
So move away, move away unknown soldier  
Put your weapon down  
Just refuse, just refuse brother soldier  
Turn your back and walk away

Wars aren't won  
Wars are fought  
(4x)

I see smoke from buildings burning  
I know frustration and pain  
I've heard the pounding, marching  
The war drum, the daisy chain  
So move away, move away unknown worker  
Put your hammer down  
Just refuse, just refuse brother worker  
Our voice is one - We will be heard

Wars aren't won  
Wars are fought  
(4x)

I feel no better now that I've tasted war  
I feel no better now that I've tasted blood  
Shout it out, shout it out from the rooftops  
Let your voice be heard  
Shout it out, shout it out from the rooftops  
This is our world, not yours

Wars aren't won  
Wars are fought  
(5x)
