

Beautiful

Adrian Belew

Blue water
swimming in pools around you
blue water
everything cool and quiet now
the wind has gone to sleep

Beautiful the way you are
walking on the edge of time
painted by the golden sun

Blue shadows
running along the sand
how happy they seem
blue shadows
moving like fingers through your hair
something from a dream

Walking on the edge of time
standing in the warm sunlight
painted by the golden sun
beautiful the way you are
the way you are
