I'm alone Yeah, I don't know if I can face the night I'm in tears and the cryin' that I do is for you I want your love - Let's break the walls between us Don't make it tough - I'll put away my pride Enough's enough I've suffered and I've seen the light Baby You're my angel Come and save me tonight You're my angel Come and make it all right Don't know what I'm gonna do About this feeling inside Yes it's true - Loneliness took me for a ride Without your love - I'm nothing but a begger Without your love - a dog without a bone What can I do I'm sleeping in this bed alone Baby You're my angel Come and save me tonight You're my angel Come and make it all right Come and save me tonight You're the reason I live You're the reason I die You're the reason I give When I break down and cry Don't need no reason why Baby , Baby Baby You're my angel Come and save me tonight You're my angel Come and make it all right You're my angel Come and save me tonight you're my angel Come and take me allright Come and save me tonight, Come and save me tonight,

Come and save me tonight, Come and save me tonight, Come and save me tonight
