

# Prosperity

Aesop Rock

Sulking and bulking a half  
Sulking a laugh crash test  
Figure the mixtures digging up his last breath  
Grief leaf thief briefly turned chieftan  
The tapwaters on the waters off the waters leaking

So this is blue  
my frame reportedly spotted garden variety burners and lost to normalcy  
my terms the memoir obligation in the boodoir crystalize impurities to zero  
on the  
autograph dirty characters sponges hunches hurling murder abundant lunches w  
ith the  
city suppers punching (hurdling) tomorrow since I sit in consequence merging  
brings to  
bubble up along the edges of precious child fantasy broken hi, my name is ha  
zardous  
tobaccanist I'm on the brink I'm purgin dirt and spit my lung in the sink as  
for the  
product well its drenched in a barren backward wasteland of shimmering moral  
tension  
and venturing the plaza pleasant I saw it all from pixie dust to crepid pins  
and  
voodoo dolls and 99 dreams later the shooting gallery wall its like not a wa  
ve crash  
similar to last or next heckle me not already doctored by regrets gray rain  
beligerant fragments bomb acid ushering the pixels till the image burned cla  
ssic  
bliss in a barrel and motivation in a basket Ima cast it out to sea and wait  
for my  
comma to grasp it I left my crutch over the rainbow with my riches and I kno  
w the rat  
race of the bad taste once his grimace cringes an iron butterfly will float  
if given  
good condition but I'm still fisihing the same worm from the same faulty pos  
istion prosperity  
I'm tryin to walk alone and miss the bliss inide the accidental meeting of t  
he pencil  
and the ceiling and the censures started meeting breathing at a rappid calib  
ur at  
that a line so gray will last forever more dusting off the dreams to be an a  
utopilot  
still a silent understudy funny how the opposite will throttle and the diffe  
rent  
stroke and model to the prison is innacurate portrayal of an addequate betra  
yal of a  
wish gonna wanna coulda shoulda woulda did it isnt it amusing choosing and a  
plan of  
cybernating waiting till the mating means of motivation took a fine posistio  
n dishing  
only after every little kiddy has performed I just wanna be a general he sai  
d I just  
wanna I just wanna I just wanna be a general he said I just wanna sleep yo w  
hat a  
long capitol crust gallop my charriot burning and awful enigma sprung by th  
e sling  
of david appears gutterbug batch prior to hatch dismiss it as a soul condens  
ing

excuse to decorate maps with thumb tacks this gold star product pushing hate  
boogie  
themes enter the smoke screen blazing saddle remnants alive analyze pensive  
connect  
all picket fences like chain gangs linked digging trenches to candy land ima  
ge  
factory sold ah I wanna be an astronaut I got the merits and heart and I bou  
ght a  
starship with hard earned money from one hour selling dreams to dummies when  
they  
raise the lights ja ja ja jesus christ I've never seen so many goblins in my  
life (oh my lord)  
vibrate through the fog and then some dragging bent circuits on a short  
leash like organ grinder primates dancing for bread crumbs well did you touc  
h that  
slugger banging on the table with an old tin cup thin luck I can raise the d  
ead when  
the shark settlers fled the place brung out they bed of nails to spread the  
sails  
racing for milk and bread but I got big big plans I ride a big boat with a b  
ig ol  
motor and I ain't really that big on helping you turn your leaf over (lets s  
ing) bring  
out your dead a quarter pile sky high (lets see) what if your miserable saw  
the plant  
fly by my name is try to deny magnificent doom craft my records so built and  
Ima show  
you why this globe tilts  
take me where the air is clear I don't really know where but I know its not  
here and  
every little step she takes makes me speak cause I know ill never have to sl  
eep alone again  
take me where the...
