

Big Bad Wolf

Aesthetic Perfection

You hear me knocking on your heart
if you let me in
I swear I won't tear you apart
love, oh no

You hear that beating of my heart
alone in my own skin
and be myself
with someone else
never turned out well
but I'm coming

I smell your blood from far away
you've lost because
I've got your scent
I'm on the hunt
there's nowhere to run
'cause I'm coming

My lover what have you become?
Why must you look at me that way?

Because my dear you look so good
Yay-yeah
You're good enough to eat
Hooo-ooh
I'll never let you go
Yay-yeah
Once I have sunk my teeth into you

I hear the trembling in your voice
don't be afraid
I'm not as vicious as the tomes say
I'm just hungry

My lover what have you become?
Why must you look at me that way?

Because my dear you look so good
Yay-yeah
You're good enough to eat
Hooo-ooh
I'll never let you go
Yay-yeah
Once I sunk in my teeth

My dear you look so good
Yay-yeah
You're good enough to eat
Hooo-ooh
I'll never let you go
Yay-yeah
Once I have sunk my teeth into you

Little pig, little pig, won't you let me in?
Little pig, little pig, won't you let me in?
Little pig, little pig, won't you let me in?

Little pig, little pig, won't you let me in?

Because my dear you look so good

Yay-yeah

You're good enough to eat

Hooo-ooh

I'll never let you go

Yay-yeah

Once I sunk in my teeth

My dear you look so good

Yay-yeah

You're good enough to eat

Hooo-ooh

I'll never let you go

Yay-yeah

Once I have sunk my teeth into you
