Too Late

After 7

There was a time when
You would've died, yeah
I told you the truth, but I couldn't find the words to say
I tried to lesson your hurt
And that's a lesson I learned
And I'm so afraid that it's too late, too late

And now I think it's too late to rewind
Too late to worry
Now I think it's too late to rewind
Too late for I'm sorry
And now I think it's too late to rewind
Too late to worry
Now I think it's too late to rewind
Too late for I'm sorry

So if you do happen to love me still
I promise I'll keep it real
With you from this point on
And on and on

I know I've wasted too much time
Trying to find if the sun shines
Brighter on the other side
So tired
But I can't hide no more
No more
And that's a lesson I've learned
And I'm so afraid that it's too late

And now I think it's too late to rewind (Too late)
Too late worry (Baby)
Now I think it's too late to rewind (It's too late, girl)
Too late for I'm sorry (Don't worry, baby)
And now I think it's too late to rewind (Too late)
Too late to worry (Too late to worry, oh, baby)
Now I think it's too late to rewind (Don't do it)
Too late for I'm sorry (Oh, now, it's too late and I'm sorry)

Sometimes I wanted to cry
And I wanted to die
In the end, I could see that you only wanted me to tell the truth
But I failed, and I know
I can't tell if you'll go
Or if you'll stay with me
We'll be okay

And now I think it's too late to rewind
Too late to worry (My sweet lady)
Now I think it's too late to rewind (It's just too late)
Too late for I'm sorry (I don't know, sweet baby)
And now I think it's too late to rewind (Too late, too late, baby)
Too late to worry (Said it's too late)
And now I think it's too late to rewind
Too late for I'm sorry (Baby, it's too late)

And now I think it's too late to rewind (It's too late, girl)

Too late to worry (Too late, too late)
And now I think it's too late to rewind
Too late for I'm sorry
And now I think it's too late to rewind
Too late to worry (Too late, too late)
Now I think it's too late to rewind (Too late, too late, oh, now)
Too late for I'm sorry (It's too late and I'm sorry)
