

Equally Destructive

After Forever

Ground is shaking, waves are breaking
The wind has lost control
The air is shifting
While it's lifting
Force fools gravity

A huge eruption
Vast explosions
As it bursts the earth water's pounding
Waves are sounding deadly and extreme

But we are equally destructive

Equally destructive as we are
Don't you think we've also gone too far?
We are just a part of this machine and its endless stream

Alarming silence
Predicts the violence that is yet to come

We are senseless
Proud while blindness is catching up with us

We must measure
While the pressure of nature's force expands

We feel minor
Punished and meager
Betrayed by all our gods

We are a part of it, we are equally destructive

Equally destructive as we are
Don't you think we've also gone too far?
We are just a part of this machine and its endless stream
