Equally Destructive

After Forever

Ground is shaking, waves are breaking The wind has lost control The air is shifting While it's lifting Force fools gravity

A huge eruption Vast explosions As it bursts the earth water's pounding Waves are sounding deadly and extreme

But we are equally destructive

Equally destructive as we are Don't you think we've also gone too far? We are just a part of this machine and its endless stream

Alarming silence Predicts the violence that is yet to come

We are senseless Proud while blindness is catching up with us

We must measure While the pressure of nature's force expands

We feel minor Punished and meager Betrayed by all our gods

We are a part of it, we are equally destructive

Equally destructive as we are Don't you think we've also gone too far? We are just a part of this machine and its endless stream
