

## Centerfold

### Against All Authority

Does she walk? does she talk? does she come complete?  
My homeroom angel always pulled me from my seat  
She was pure like snowflakes, no one could ever stain  
The memory of my angel could never cause me pain  
Years go by, I'm looking through a girlie magazine  
And there's my homeroom angel on the pages in between  
My blood runs cold, my memory has just been sold  
My angel is a centerfold, Angel is a centerfold (2x)  
Slipping notes under the desk  
While I was think about her dress  
I was shy, I turned away before she caught my eye  
I was shaking in my shoes, whenever se flashed those baby blues  
something had a hold on me when Angel passed close by  
those soft fuzy sweaters, too magical to touch  
I see her in that neglige is really just too much  
My blood runs cold, my memory has just been sold  
My angel is a centerfold, Angel is a centerfold (2x)  
Now listen... its okay, I understand  
this ain't no never-never land  
I hope that when this fish is gone  
I'll see you when your clothes on  
take your car, yes we will, we'll take your car and drive it  
Take it to a motel, and take'em off in private  
a part of me has just been wrecked  
the pages from my mind are stripped,  
oh no! I can't deny it. oh yeah I got to buy it  
Alright! alright! 1 2 3 4...  
My blood runs cold, my memory has just been sold  
My angel is a centerfold, Angel is a centerfold (2x)
