

## Corporate Takeover

Against All Authority

Can't you see, you're not free  
You ain't never gonna be  
I'm not gonna bend to fit society  
I'm not gonna remove what's deep inside of me  
Money's your god its got no hold on me  
A puppet on a string is all you're ever gonna be  
They're gonna destroy what we worked so hard to create  
A subculture of consciousness againts a bourgeois society state  
A slave, I never want to be a part of your society  
Can't you see you're not free  
You ain't never gonna be  
Punk's not dead, it never will be  
If we keep the corporate shit out of the scenery  
Your money, your suit, your tie doesn't impress me  
The media's corrupting the scene, but they can't touch me  
Keep punk pure, keep punk true, beat your ass in,  
Your black and blue take your money, shove it up your ass,  
Ain't sellin' punk for cash alternatives big,  
Corrupting the scene, major labels makin green  
I ain't gonna sell it, I ain't gonna buy it  
As long as their in the scene, I'm gonna fight it  
Don't support the bands that sell it,  
They think their shit don' stink, I smell it  
Bullet in their head is what they need  
Time to take back the scene that we made  
Rise up, wise up don't let the scene fade
