They turn away from basic greed  
Sick and bored, usurp The One  
Guilty men for His kingdom to come

A dark feeling has grown inside  
No more blessings or place of pride  
Sick and bored, usurp The One  
It doesn't matter if His kingdom is come

They reached a point beyond their faith  
Driven by disbelief, mistrust, and hate  
Depraved monks are walking the earth  
The black sheep in the Holy Church

They hungered for more changes to make  
Unresolved, easy to wait  
With the basic of trapping on the ship of fools  
Misguided by the blind, and sickness rules
