

Giving It Up

Aiden Grimshaw

Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love
Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love

I thought you'd always stay
I thought we'd have further to go
But no
As one door shuts, another opens
I thought you'd always stay
I thought we'd have further to go
But no
As one door shuts, another opens

Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love
Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love

Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love
Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love

I thought you'd always stay
I thought we'd have further to go
But no
As one door shuts, another opens
I thought you'd always stay
I thought we'd have further to go
But no
As one door shuts, another opens

Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love
Giving it up
Giving it up
When'd you start giving it up?
Giving up on me, love

I'm gon' give this up
I'm gon' give this up
You are not enough

For me, love
I'm gon' give this up
I'm gon' give this up
You are not enough
For me, love
I'm gon' give this up
I'm gon' give this up
You are not enough
For me, love
I'm gon' give this up
I'm gon' give this up
You are not enough
For me, love
