

Chewin' the Fat

Airbourne

Her loving is wild, her loving is sweet
Like candy to a child, she knows what I need
With love and pain, she left me red and raw
I was achain' for days now I'm back at your door
Back for more back for more

Chewin' the fat
Yeah yeah
Baby you know where it's at
Yeah yeah
Keep on chewing the fat
Yeah yeah
Honey you know where it's at tonight

Satisfaction, treats me like a king
She's my little princess, for her I'd do anything
Now I gotta say goodbye, time to hit the road
But next week she'll be mine to help me loosen that load
To loosen that load, don't you know

Chewin' the fat
Yeah yeah
Baby you now where it's at
Yeah yeah
Keen on chewing the fat
Yeah yeah
Honey you know where it's at tonight

Satisfaction, treats me like a king
My little princess, I gonna do anything to you
With love and pain, she left me red and raw
I was achin' for days now I'm back at your door
I'm back for more back for more

Chewin' the fat
Yeah yeah
Baby you know where it's at
Yeah yeah
Keep on chewin' the fat
Yeah yeah
Honey you know where it's at

Yeah

Chewin' the fat
Yeah yeah
Baby you now where it's at
Yeah yeah
Keen on chewing the fat
Yeah yeah
Chewin' the fat tonight
