

Life Is Easy

Airfare

I came to tell you, oh, what you wanna know
I came to tell you, oh, that it's easy

Life is easy, baby
Life is easy

I came to tell you what all you wanna know
I came to tell you about rock & roll

Life is easy, baby
Life is easy
Life is easy, baby
Life is easy

I came to tell you all about rock & roll

Life is easy, baby
Life is easy
Life is easy, baby
Life is easy

Life is easy, baby
Life is easy
Life is easy, baby
