```
I came to tell you, oh, what you wanna know
I came to tell you, oh, that it's easy
Life is easy, baby
Life is easy
I came to tell you what all you wanna know
I came to tell you about rock & roll
Life is easy, baby
Life is easy
Life is easy, baby
Life is easy
I came to tell you all about rock & roll
Life is easy, baby
Life is easy
```
