Right Now

Airfare

If you know what you want and you see it get it right now, right now whoa, we don't get caught no never gonna be taught no you kinda like that don't ya you wanna take some for yourself you wanna feel it in ya you gotta taste it for yourself

now i'm lyin' on my back and i am home again when i feel it in my bones, i can see my friend i can feel it in the air and in the atmosphere on a cloud when rain comes fallin' here

If you meet me in the water, we can make it to the shore we will swim together, and feel the way we did before

now i'm lyin' on my back and i am home again when i feel it in my bones, i can see my friend i can feel it in the air and in the atmosphere on a cloud when rain comes fallin' here

and it's flowin' in my blood like an enemy just like a monster comin' out of inside of me i can hear it closin' down in the dead of night the shivers that i get make me feel alive

If you meet me in the water, we can make it to the shore we will swim together, and feel the way we did before
If you know what you want and you see it get it right now, right now
