Thirsty Thirsty Thursday  
Yodel-lay Yodel-lay - eehoo [x3]  
Thirsty Thirsty Thursday

I'm up and I raise my cup  
Singing "everything is gold"  
Crew neck and a white, blank check  
I'll be moving on my own  
(Yodel-lay-eehoo)  
Well I'm done sippin' on that love  
It's another bumpy road  
But I'm up and I raise my cup  
And I wanna take her home  
(Yodel-lay-eehoo)

I run my mouth  
Don't got a lot to say  
Girl on fire  
Could burn my heart away  
We are young  
But we can make it rain

It's Thirsty Thirsty Thursday

I'm up and I raise my cup  
See you bouncin' on the floor  
Perfume in a hotel room  
We go bouncin' back for more  
(Yodel-lay-eehoo)  
Well I'm loe sippin' on that fun  
It's a feeling we adore  
But I'm up and I raise my cup  
And I wanna take her home  
(Yodel-lay-eehoo)

I run my mouth  
Don't got a lot to say  
Girl on fire  
Could burn my heart away  
We are young  
But we can make it rain

Oooh

We're so thirsty  
Got no one except me  
We're so gutsy  
When no ones watching
