

# Perfect to Me

Al Green

Another year has come and gone  
But my love for you keeps on and on and on  
You're perfect to me, no matter whatever seems  
You're everything that's on my mind

And I did love you, one hundred years or more  
You're everything that I love so  
My devotion to you, more than you can stand  
And I, I, I believe in loving the whole morning

Listen here, you know I love you, oh, how I love you  
You're all that's on my mind, listen here  
But oh, how I adore you, I'll go the last mile for you  
You're in changing times

You're perfect to me, more than my eyes can see  
You know something, you're the only thing  
That's on, on my mind

As long as I live, I'll have love to give  
I don't just get that now, I'll always be 'round  
I'll always be 'round, closer 'round here

You're perfect to me  
I don't care what anybody else see, no, no  
You the only thing that's on my mind

I love you, baby, I'd walk the floor at night  
Holding my arms tight, baby, now they don't feel better than th  
is  
I don't live no better than you, I love you, baby  
I don't like fuss it's creatin'

It's all I gotta say, it's all I gotta say  
All I gotta say, I love you, baby  
It's all I gotta say, somebody understand here  
I said something and it's all I gotta say
